April Fools

*Are you an April fool?
Will you fall for all the jokes?
Will you be tricked by all of the tricksters?
Who think they are funny folks?
Be on the lookout
For people so sly
Who do their best to outsmart?
It's a tricky day for sure—
April fooling is an art!*

Hello April
*A good day isn't always
Perfect. It challenges you to
Release your potential and
Inspires you to appreciate the
Little, amazing things in life*

Message from the Administrator

Andrea Brown, Administrator

Hello to all of our staff it's April! We thank you for choosing to be here caring for our residents, their environment and each other.

We have phenomenal events that are starting back second to none! Each quarter we will strive to have a celebration together.

Over the next month we will roll out different areas of recognition e.g. perfect attendance, customer service, least in house acquired pressure ulcers and the unit with the least acquired infections.

Each department is expected to have monthly meetings consisting of some standing minimum agendas i.e. infection prevention and control, safety, customer service and staffing.

The administrator will receive these monthly meeting notes and staffs input and insure that all are addressed and any trends or significant issues will be discussed in our Town Hall meetings.

Please, if you see a spill or trash on the floor pick it up. Please, if you see or hear a call light – stop and answer it.

Compliments from families and residents are coming in so thank you for making our residents as happy as they can be being in a nursing facility.

Be safe!
