A Message from the Administrator:

My name is Ishmael Koroma. I am married and have four kids, three boys and one girl. I have been in the healthcare business for fourteen years and very excited to be part of the Inspire family. I started as a C.N.A and went through the ranks to become an Administrator. Working with the elder is a blessing and thanks for giving me that opportunity. My goal here is to put much love into how we do our care. We will strive to brighten the lives of our residents by giving them and their families' peace of mind.

Maya Angelou said "I have learned that people will forget what you said, people will never forget how you made them feel." My team and I will work very hard to ensure your stay here be memorable and feeling good that you choose us. Our residents are the most lovable and respectful in our facility.

I have an open door policy and I will encourage feedback on all your experiences at Inspire. Let me hear the questions, concerns, complaints or compliments. They all help my team and me to be the best amongst the other healthcare providers.

HAPPY NEW YEAR
