MAY' INSPIRATION

Hold fast to dreams
for if dreams die
Life is a broken-winged bird
that cannot fly.
Hold fast to dreams
for when dreams go
Life is a barren field
Frozen with snow.

Langston Hughes

MAY NEWSLETTER

It is hard to believe we are welcoming May, a month we celebrate National Skilled Nursing home and nurses. The smiles on the faces of our staff show that we are willing to make the best of any situation presented to us. According to Mother Teresa "Let us always meet each other with smile, for the smile is the beginning of love." Our Inspire team will continue to make supporting our Residents/Patients and their families the highest priority.

Winter is behind us and now we have the opportunity to enjoy sunlight and spend time outside. We have our enclosed court yard for residents, families and visitors to enjoy. Our Activity team's priority is to ensure our loved ones stay active and engaged by involving them in finding new ways to keep them entertained.

Let me also take this opportunity to say Happy Mothers' day to all our residents/Patients and their families. Motherhood is one of the greatest things and could be the hardest thing. We want you to feel the love even in the midst of a broad celebration of motherhood in the world. To the world, you are a mother, but to your child you are the world.

On behalf of myself and cooperate team, I want thank every member of the team for your contribution in ensuring we are the best in the competition.
